About This Game

It's been a few months since Seiji last visited the beach. After enduring the chaos of his new daily life, another holiday with his childhood friends is just what he needs. However, the appearance of another girl whose love of space rivals his own ensures that his trip will be anything but peaceful.

It was just as wonderful as the first part. Though I wanted to find out more about Nene. I'm glad there was an end to everyone being happy. I would have liked to show us more of these two weeks at sea, but even so everything that was shown was very funny.
